

# Colome Consolidated School District 59-3 Proposed COVID 19 Plan

Please check the Colome School District website for a more detailed plan.

Email [dustin.christensen@k12.sd.us](mailto:dustin.christensen@k12.sd.us) or [debbie.odoan@k12.sd.us](mailto:debbie.odoan@k12.sd.us) if you have questions

## Level 1 - Green

- Open as normal as possible with pre-cautions in place
- Additional precautions, hand sanitizer, sign posted to wash hands and adjust lunch times if needed.
- Social distancing measures increased
- Masks will be available and will be parent/student choice

Colome Consolidated School District 59-3

## Level 2 - Yellow

- More precautions, as suggested by DOH, DOE
- Require masks and clear plexi-glass dividers, hire another custodian, ventilation systems
- Modified schedule if needed (days, times), limiting student movement, staggered arrival/release, bus routes may be changed.
- Hybrid face to face/distance learning model using google classroom/Microsoft Teams for a limited amount of time (example 14 days, rotate students)

Colome Consolidated School District 59-3

## Level 3 - Red

- School cannot operate as usual
- Hybrid face to face/distance learning model using google classroom/Microsoft Teams for a longer amount of time (example 30 days)
- Consider Full distance learning
- Departments of Health and Education will work with the school board/district leadership to determine a shut down
