

BRANDED *for the* Cowboys & Cowgirls

Purchase a "Brand Patch" to show your support of the cowboys and cowgirls! The first year is the biggest investment of \$100. Next year, we will ask for your "branded" help again, but the investment will only be \$50. In that first initial amount, you are paying for your leather patch. Patches will be 7x7 in measurement and will be displayed in the Gym Lobby. If you decided to not renew your patch, we will give you your patch back, because you have paid for this. Your support will be for one year, November 2020 to November 2021.

Business and Family Patches will have the Cowboy Mascot on them.

Your next question is...what are you doing with our branded money? The first answer is paying for a basketball shooting machine. Once we have it paid for, we want to use it for all levels of our Basketball Programs, High School Boys, High School Girls, Junior High Boys and Junior High Girls.
